*Proceedings of the Madras Government, Public Works Department,  
for the month of March 1860.*

No. 94. Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chépaúk, 24th March 1860, No. 11,675:—

I have the honor to forward a letter from the Superintendent of Revenue Survey, requesting to be supplied with certain Instruments from the Stores of the Department Public Works until his supply from England is received, and which he expects will be in about four months as mentioned therein. I beg to state that the articles in question, are available for issue with this understanding that they are to be replaced by others of exactly the same description, make, &c. and to request the sanction of Government on the subject.

2. As Gunter's Chains are not so much used in the Department Public Works, the Superintendent Revenue Survey can have the number now required by him on paying their stock value.

No. 95. ORDER THEREON, 28th March 1860, No. 645.

The Government sanction the supply from the Stores of the Public Works Department of the Instruments noted in the margin, required by the Superintendent of Revenue Survey, to be replaced by others of the same description as soon as they shall be received from England.

2. They also sanction the supply of One hundred Gunter's Chains to the Survey Department for payment.
