PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following papers :—

From Lieutenant Colonel J. H. BELL, Chief Engineer, to the Secretary to Government,
Public Works Department, Fort Saint George, dated 24th December 1859, No. 8693.

General Establishment.

Dated 29th November 1859.

Enclosures 4.

1 Letter from the Deputy Engineer Tanjore,
dated 29th November 1859, No. 229, with
3 Enclosures.

I have the honor to forward for submission to Government the accompanying letter from the District Engineer of Tanjore, soliciting permission to entertain the undermentioned persons as Gomastahs in Office Establishments of his District.

Kistnasawmy Naidu,
Narayanasawmy Pillai,
Davacati Iyen.

2. The District Engineer states that they were formerly in the Public Service, that two of them lost employment to make room for Maramut Gomastahs, and that the third was dismissed from a Sub Overseer's post on the reduction of the Public Works Establishment in July 1857.

3. As the District Engineer states that the passed Candidates in the District are no ways qualified for the duties of Gomastahs and cannot be employed without prejudice to the Public Service, I recommend that the District Engineer may be authorized to entertain the persons above named as Gomastahs in the Office Establishments of his District on account of their former services in the Department and without passing the prescribed examination.

4. I am not prepared to support the District Engineer's suggestion in paragraph 7 of his letter for the employment of Stipendiary Apprentices in Office Establishments as Gomastahs or Clerks, as the necessity for such a measure in this or other Districts is not at present sufficiently apparent. I am of opinion that the District Engineer may entertain Volunteers on the understanding that if they have not passed the prescribed examination they will be required to do so previously to obtaining a post in the permanent Establishment.

Transferred to the Public Department.

(Signed) J. D. BOURDILLON,
Secretary to Government.

26th December 1859.
