*Proceedings of the Madras Government, Public Works Department,
for the month of March 1860.*

No. 141. Read the following letter from Captain F. H. RUNDALL, Consulting Engineer for Irrigation and Canal Company, to J. D. BOURDILLON, Esq., Secretary to Government, dated Madras, 12th March 1860, No. 55:—

In continuation of paragraph 8 of my letter of the 3rd instant, No. 52, I have the honor to forward copy of a letter received from the Agent, regarding the further sum of Rupees 2,500, said by the District Engineer of Kurnool to be further required for the completion of the Dorinal Pass, and stating his readiness to advance the sum, if permitted by Government to do so, on condition that it be refunded whenever the restrictive Order on Public Works is removed.

From F. AGNEW, Esq., Agent Madras Irrigation and Canal Company, to Captain F. H. RUNDALL, Consulting Engineer, Madras Irrigation and Canal Company, dated Madras, 10th March 1860, No. 14.

I have the honor to acknowledge the receipt of your letter, No. 52 of 25th ultimo, forwarding letters from the Chief Engineer, Department Public Works, and the District Engineer of Kurnool, from which it appears that a further sum of Rupees two thousand and five hundred (2,500) in addition to the Rupees six thousand (6,000) sanctioned by Government, will be necessary to complete the Dorinal Pass, and which excess, you recommend should be advanced by this Company, so as to render the road speedily available for the transport of the Company's heavy Stores to Kurnool.

2. His Excellency in Council in the Order of Government, No. 2,490 of 22nd October last, admits the moral responsibility which rests upon Government to make the road in question available for the Company's immediate use. This responsibility cannot of course be removed by the fact that the road will cost two thousand Rupees more than was anticipated.

3. As, however, under the present restriction there may be a difficulty in the matter of funds I am prepared to advance the amount required from the funds of this Company, if Government will permit me to do so, on condition that this amount is refunded as soon as the present restriction on Public Works is removed.

No. 142. ORDER THEREON, 31st March 1860, No. 666.

Ordered to be recorded. The subject having been disposed of in the Order of this date No. 665 on a previous letter from the Consulting Engineer.

(Signed) J. D. BOURDILLON,
Secretary to Government.
