*Proceedings of the Madras Government, Public Works Department,
for the month of April 1860.*

No. 17 Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 21st March 1860, No. 11,563 :—

I have the honor to forward for submission to Government with reference to the correspondence noted in the margin, the accompanying letters from the Civil Auditor* and the District Engineer of Cuddapah,† respecting the date of appointment of temporary Sub-Overseer Bábu Rau and Gáffer Khán.

To Government, dated 31st January 1860, No. 9,766.
From do. „ 10th February 1860, No. 325.

* Dated 17th February 1860, No. 86.
† Dated 8th March 1860, No. 1,214.

2. As these temporary Sub-Overseers were to be employed in the existing vacancies in the District, I conceived that all that was required was to obtain the confirmation of Government to their appointments, not doubting that the Civil Auditor would recognize their appointment by the District Engineer and pass their salaries accordingly ; but as that Officer considers that sanction should be obtained retrospectively from the date of their entertainment, I have the honor to request that sanction may be accorded for the employment of Bábu Rau from the 16th and Gáffer Khán from the 23rd December, the dates on which they severally entered on the performance of their duties in the Department.

No. 18. ORDER THEREON, 3rd April 1860, No. 683.

As recommended by the Chief Engineer, the appointment* of temporary Sub-Overseers Bábu Rau and Gáffer Khán will date from the 16th and 23rd December 1859 respectively.

* Order, 10th February 1860, No. 325.
