*Proceedings of the Madras Government, Public Works Department,
for the month of April 1860.*

No. 23. Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated 15th December 1859, No. 8,346:—

Paragraph 1. With reference to paragraph 7 of the Orders of Government, No. 1,672, dated 9th July last, I have the honor to
1 Letter from District Engineer, Chingleput, No. 1,186, dated 2nd November 1859. forward herewith two letters from the District
1 Do. from do. No. 1,316, dated 22nd " " Engineer of Chingleput, furnishing the infor-
1 Do. from do. " 1,424, " 6th December " mation therein called for.

2. From these communications it will be gathered that the annual Revenue under the Tank referred to in the above Order is Rupees 950, and that the village in which it is situated contains about 65 houses and huts, and covers an area of 88,000 square yards. The prickly pear extends over an area of 9,000 square yards, and the cost of removing the same to enable the necessary repairs to be executed to the Tank is estimated at 200 Rupees, while the number of laborers in the village able to afford the required aid is about 80.

3. Captain Moberly explains that the cause of the delay in furnishing the above information was owing to his having made a further reference to
Letter No. 1,424, dated 6th December 1859. Lieutenant Tulloch in September last, in consequence of certain differences between two Estimates submitted by that Officer in connexion with this matter.

No. 24. ORDER THEREON, 3rd April 1860, No. 686.

Ordered to be recorded.
