*Proceedings of the Madras Government, Public Works Department,
for the month of April 1860.*

No. 62. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 20th February 1860, No. 20:—

Paragraph 1. Your letter, No. 63, of 21st November last, relative to the Anicut over the Pennâr at Nellore, has been laid before me in Council.

2. There seems to be little doubt that the Anicut, notwithstanding the great enhancement of its cost, consequent on its partial destruction by the floods of two successive seasons, will prove a remunerative as well as very useful work, when its restoration has been effected by the arrangements you have recently sanctioned. Even when completed in accordance with Colonel A. Cotton's project, the careful attention of your Engineers will be requisite to the action of freshes both upon the work itself, and upon the bed of the river below the Anicut.

No. 63. ORDER THEREON, 4th April 1860, No. 706.

Communicated to the Chief Engineer.

(Signed) J. D. BOURDILLON,

Secretary to Government.
