Read the following Despatch addressed by the Honorable Sir C. WOOD, Bart., Her Majesty's Secretary of State, to His Excellency the Right Honorable the Governor General of India in Council, dated India Office, London, 20th January 1860, No. 6.

I have to acknowledge receipt of your letter No. 71 of the 10th October last, regarding the best means of affording communication between the Port of Sedasheoghur and the interior.

2. There can be no doubt of the soundness of the conclusion unanimously arrived at, that a good metalled and bridged road should be the first step towards the development of the capabilities of the Port, and I should be glad to learn that funds had been made available for the completion of the road between Hallial and Sedasheoghur, to which work conditional sanction was given in your Orders upon the Madras Budget for the current year.

Ordered, that a copy of Despatch No. 6 be forwarded to the Government of Fort Saint George, with reference to paragraph 29 of Public Works Department, No. 5,136, dated 30th July 1859, and in continuation of No. 352, dated 14th January last.
