PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Proceedings of Government in the Public Works Department.

Referring for consideration copy of a letter from the Chief Engineer, submitting one from the District Engineer of Tanjore, representing the impracticability with the members of the Public Works Department when away 20 or 30 miles from the nearest Post Office of sending a Clerk to see their letters to their superior Officers or their Subordinates weighed and registered. (Here enter 16th March 1860, No. 546.)

Referred to the Post Master General.

(Signed) T. PYCROFT,
Chief Secretary.

21st March 1860.

From R. H. WILLIAMSON, Esq., Postmaster General, to T. PYCROFT, Esq., Chief Secretary to Government in the Public Department, Fort Saint George, dated 28th March 1860, No. 5206.

In acknowledging the receipt of your endorsement of the 21st instant, I have the honor to state that under the circumstances mentioned by the District Engineer of Tanjore, I see no alternative, but to permit the Deputy Postmaster of the nearest Post Office to make the necessary entries in the registers sent daily to them by the Subordinate Members of the Department Public Works. I must however mention that this is the only instance in which such difficulties have apparently been felt.

ORDER THEREON, 2nd April 1860, No. 492.

Communicated to the Department Public Works, in reference to the Order in that Department of the 16th instant, No. 546.

(True Extract.)
