*Proceedings of the Madras Government, Public Works Department,
for the month of April 1860.*

No. 81. Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 12th April 1860, No. 12,225:—

I have the honor to forward for submission to Government, the accompanying letter* from the District Engineer of Tanjore, requesting instruction whether he may accept the deposit of two Madras Railway Shares of £20 each, tendered as security by Assistant Overseer Rangaswami Náyudu, and whether in the event of a breach of Contract on his part, the Shares in question can be sold or disposed of without the consent of the Defaulter, if he refuses to give his consent.

2. In Chapter XVII, paragraph 2 of the Bengal Code of Regulations for the Public Works Department, it is provided that the deposit must be Cash or Government Promissory Notes duly endorsed to the Officer in whose custody they are to remain. But as I consider that Railway Shares are as good as Notes being guaranteed, I request the orders of Government on the subject.

No. 82. ORDER THEREON, 16th April 1860, No. 765.

Ordered to be referred to the Government Solicitor for his Report whether the Railway Shares can be made available for security in the case stated.
