*Proceedings of the Madras Government, Public Works Department,
for the month of April 1860.*

No. 83. Read the following letter from Captain C. H. DICKENS, Officiating Secretary to the Government of India, to T. PYCROFT, Esq., Chief Secretary to the Government of Madras, dated Fort William, 22nd March 1860, No. 1,510:—

In reply to your letter No. 361, dated 17th ultimo, I am directed to inform you that the Honorable the Presidency in Council confirms the sanction given by the Honorable the Governor of Madras in Council to an instalment of Rupees twenty-five thousand (25,000) for connecting the Sarvapalli Channel and Jafar Sahib's Channel, two of the main ducts of irrigation, from the Pennair River in Nellore. The sum disbursed within the year is to be considered as an addition to the allotment of funds for 1859-60, as in the cases referred to in my letter No. 1,307 of 10th March 1860.

2. I am, however, to observe that, in the present reference, no case of urgency seems to have been made out to justify this being made an exception from the ordinary rules of the Public Works Department.
