*Proceedings of the Madras Government, Public Works Department,
for the month of April 1860.*

No. 110. Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 12th April 1860, No. 12,223 :—

I have the honor to submit for the early orders of Government, the accompanying Estimate of Rupees 2,730, received from the Civil Architect for adapting the Husain Nawás Khán's Diwán Khána at Chepauk, for the Office of the Superintendent of Revenue Survey.

1 Letter from Civil Architect, dated 4th April 1860, No. 317.
1 Abstract Estimate, and 1 Plan.

2. At the time my letter of the 22nd July 1859, No. 2,962 was submitted, it was intended that this building should be used as a Press-room by the Civil Auditor's Establishment, but subsequently under the instructions of the Honorable the Governor, it was appropriated for the Superintendent of Revenue Survey, a circumstance which was not before reported to Government, because it was not then perceived that the Estimate would require revision.

3. The provision of sky-lights, some glass windows and weather boards with interior partitions is now indispensable; and I therefore request sanction for the additional Estimate which is already under execution, and for which the Civil Architect has funds.

No. 111. ORDER THEREON, 17th April 1860, No. 780.

The Estimate submitted with this letter amounting to Rupees (2,730) Two thousand seven hundred and thirty is sanctioned for immediate execution out of the funds at the disposal of the Civil Architect.

Secretary to Government.
