PUBLIC WORKS DEPARTMENT.

No. 79 of 1860.

TO THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

RIGHT HONORABLE SIR,

1. The accompanying papers contain the rules prepared by the Consulting Engineer of the Irrigation and Canal Company, for regulating the terms on which land is to be provided for the purpose of the Company. With

some exceptions these rules are substantially the same as those laid down by the Government of India for dealing with land for Railway purposes, modified only so far as to suit the circumstances of the Company.

2. We have also issued instructions for the guidance of the Engineers and Surveyors of the Company as to the course to be pursued when the destruction or removal of property is required. These rules are nearly a transcript

of those issued to the Officers of the Railway Company, with such alterations as the different nature of the Irrigation Company's works required.

3. The Consulting Engineer having informed us that the Chief Engineer of the Irrigation Company would soon have a large portion of the Canal sufficiently staked out to admit of a Revenue Officer examining the ground and making the necessary arrangements for handing

it over to the Company's Engineers, we resolved to depute a special Officer for the purpose; but as the Officer selected was not immediately available, we instructed the Collector of Kurnool to lose no time in making over such land as might be immediately wanted, employing for that purpose the best agency at his command. You will observe that Deputy Collector Ragunáda Ráu, the Officer selected for the duty of settling the price of the land and making it over to the Officers of the Irrigation Company, has in our Proceedings of the 21st July been furnished with specific instructions for his guidance.

4. We have since been informed by the Collector that under the orders issued to him as stated above, he has purchased and made over acres 93-24-4 of Inám land to the Company, and that compensation to the amount of Rupees 1,071 was due to the proprietors on that account. In our Proceedings of the 4th September we sanctioned the disbursement of this sum.

We have the honor to be,

Right Honorable Sir,

Your most obedient humble Servants,
