MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Acting Inspector General of Ordnance and Magazines, 21st December 1859, *No.* 326; *to the Secretary to Government, Military Department.*

I have the honor to bring to the notice of Government that the Commissary of Ordnance, Secunderabad, has represented to this Department, the urgent necessity that at present exists for the construction of two sheds in the Arsenal under his charge, for the protection of Timber and half wroughts.

2. The provision of these sheds not being included in the Executive Engineer's Estimate for enlarging the Arsenal at Secunderabad, will be constructed under Captain Scott's own superintendence, and at a cost not exceeding Rupees (350) three hundred and fifty, for the entire work.

3. The amount applied for is intended chiefly for the purchase of bricks and chunam, the Executive Engineer having placed at Captain Scott's disposal, the stones, rafters, tiles, and other materials, which belonged to certain old out Offices attached to the Bungalows recently purchased by Government.

4. I beg to recommend the above proposal to the favorable consideration of Government, and to request authority for making the necessary disbursement for the construction of the work, at a cost not exceeding Rupees (350) three hundred and fifty; the amount to be adjusted by a Contigent bill.
