*Proceedings of the Madras Government, Public Works Department,
for the month of May 1860.*

No. 154. Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 2nd May 1860, No. 82 :—

In their Proceedings No. 1,582, dated 28th June 1859, the Government communicated to this Office the sanction of the Government of India, to the Estimate amounting to Rupees 61,000, for an Engineer Store and Workshop at the Presidency; but as it was subsequently found impracticable to carry out the work within this limit, a revised Estimate for Rupees 76,390 was submitted to and sanctioned by Government in their Order No. 1, dated 3rd January 1860.

2. The work, however, has been entered in Budget Statement No. 1 for the current year, but this was a mistake, and considering the great necessity existing for a Building of the description alluded to, I have instructed the Civil Architect to take immediate measures for the prosecution of the work, and I have now to request the approval of Government to this proceeding.

No. 155. ORDER THEREON, 10th May 1860, No. 972.

The Government approve the Chief Engineer's proceeding in ordering the immediate commencement of the Presidency Store Yard and Workshops.

(Signed) J. D. BOURDILLON,
Secretary to Government.
