I do hereby Certify that C. J. Webster Esquire Head Agent Collector and Magistrate Nagasaki is in a weak state of health being much debilitated from an attack of Dyspepsia. Since which he has suffered from constant Dyspeptic Symptoms such as frequent attacks of gasping accompanied with nausea, loss of appetite & giddiness. Medicines appear to exercise only a temporary improvement and I consider that in his present weak condition it would be highly imprudent to remain in a relaxing climate on the Coast & therefore recommend that he should proceed by sea to Malacca immediately in anticipation of leave being sanctioned to proceed to Europe.
