Sir

With reference to your letter No. of the 11th inst. I have the honor to submit a fresh medical certificate and statement of my case drawn up in the proper form. From the certificate it would appear that Doctor Joseph is of opinion that leave of absence for two months from this date is absolutely necessary for the restoration of my health; though I had been for more than a month under medical treatment at Madras as shown by the statement of the medical officer that attended upon me when at Madras

Under

Under these circumstances, I regret that I have no alternative other than that of applying for leave in modifi-
-cation of my former application for 3½ months to the end of August from the date on which I quitted my station. I respectfully beg to appeal to your own knowledge of the emergency which compelled me to quit my station in antici-
-pation of my leave.

I have the honor to be
Sir,
Your most Obed.t Serv.t
