PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th June 1861.

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 1st June 1861, No. 239 :—

1. I have the honor to report for the information of the Board and Government that the Zillah Surgeon Dr. Gillies, in reply to my inquiry on the subject, has informed me by a letter dated 31st May, that in all probability Mr. W. E. Wright, Salt Deputy Collector in Tinnevely, when sufficiently convalescent, will have to apply for leave on Medical Certificate, and seek a change of climate for the recovery of his health. The Zillah Surgeon further remarks on Mr. Wright's present state of debility and susceptibility to solar influence unfitting him for some time to come for the performance of his duties.

2. Under these circumstances, and as Mr. Wright has now been absent from duty since the 20th May, I request the Board will be pleased to recommend to Government, the early appointment of an Officer to act as Salt Deputy Collector in Tinnevely, pending final arrangements, and that he may be directed to proceed to take up his appointment forthwith. It is also much to be desired that an Officer of some experience in the public service should be sent to this District.

Ordered to be submitted for the information and consideration of Government.

Secretary.
