Proceedings of the Madras Government, Revenue Department,
15th May 1861.

No. 118. Read the following Proceedings of the Board of Revenue, dated 1st May 1861, No. 2,217:—

Read Report on the actual condition of Travellers' Bungalows in the Trichinopoly District for the year 1860, dated 7th March 1861, No. 33.

(In Cons. 12th March 1861, No. 1,517.)

Sirgambur.
Tottiem.
Nungaveram.
Padupolliem.
Toorvagudi.
Toverencoorchie.
Manapara.

1. The Board observe that the Bungalows noted in the margin are stated to be out of order. The Collector is requested to call on the District Engineer to take the necessary measures for repairing them, without delay.

2. As the Bungalows at Utatur and Sirgambur are little used owing to the change in the direction of the lines on which they are situated, the Collector is requested to report whether those buildings *may not be immediately* sold or transferred to *some other* public Department. The substitution of new buildings in their stead, however desirable, will probably have to be postponed under the existing financial restrictions on Public Works expenditure.

3. The number of travellers at the Manavassi Bungalow having increased very much, the Board concur with the Collector that it should be retained. The same remark is applicable to the Bungalows at Toorvagudi and Manapara, where from 40 to 45 travellers appear to have halted during the past year.

4. The Board resolve to recommend to Government that the orders for the sale of the above Bungalows be held in abeyance for the present.

No. 119. ORDER THEREON, 15th May 1861, No. 1,037.

1. The Government approve of the Revenue Board's Proceedings as now reported, and agreeably to their recommendation in paragraph 4, permit the Orders of the 23th March 1860, No. 475, for the sale of certain of the Travellers' Bungalows enumerated in the statement accompanying the Board's Proceedings, to be held in abeyance for the present.

2. Two of the Bungalows* are said to be in good order, but "unclean." This should not be; and if the evil has not been already remedied, immediate steps should be taken to have the buildings cleaned.
