REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India (Revenue), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 16th April 1861, No. 30 :—

SIR,

The letter from your Government, dated the 23rd of January last, No. 11 of this year, has been under my consideration in Council. It is to be regretted that your efforts to obtain the publication in India of the interesting information on the subject of the higher ranges of the Anamalai, obtained by Dr. Cleghorn and several other Officers of your Government, did not prove successful. But that information will be given to the world in the projected work by Dr. Cleghorn on the Forests of India, to which I was informed by your letter of the 11th of December last, No. 137, that you had given encouragement, and to which, in order that the Manual might be more complete, I have on the application of Dr. Cleghorn extended further assistance.

ORDER THEREON, 22nd May 1861, No. 1,069.

Ordered to be communicated to the Acting Conservator of Forests for his information, with reference to the Order of Government, dated 24th September 1860, No. 1,697.
