No. 213. Read the following Proceedings of the Board of Revenue, dated 10th December 1860, No. 5,791:—

Read Estimate from the Deputy Collector of the Kistna District, dated 4th August 1860.

Read also letter from the same Officer, dated 5th December 1860, No. 283.
(In Cons. 10th December 1860, No. 6,428.)

1. Resolved that the papers above recorded be submitted for the orders of the Honorable the Governor in Council.

2. Under the circumstances represented by the Acting Collector and the absolute necessity that seems to exist for the additional temporary aid required by the Sub-Collector and Head Assistant, the Board recommend that sanction be granted for the Estimate for the current Fasli which, it will be observed, is 110 Rupees less than that of the past year. The Collector will be directed to observe the strictest economy in the employment of the additional persons that may be required.

No. 214. ORDER THEREON, 16th January 1861, No. 107.

1. On the urgent recommendation of the Board the Government consent to sanction the sum of Rupees (360) three hundred and sixty for the additional Gumáshtas required in the Kistna District in the current Fasli. This item will not, however, be again allowed, as Government cannot make an exception in favor of a single District, which is not distinguished by any peculiarity. If the sanctioned Establishment of the Sub-Collector is insufficient the Board can, in communication with Mr. Pelly, propose a more suitable scale, assigning their reasons for their proposals.

2. In the Estimate received with the Board's Proceeding above recorded, eight Tahsíldárs and two Deputy Tahsíldárs are entered as required for the Táluqs on salaries ranging from 5 to 50 Rupees. The designation of these servants or the salaries assigned to them, must be erroneous and the Government request the Board to explain the entries.
