No. 235. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th May 1861, No. 770:—

SIR,

1. I have the honor to report, for the information of Government, the steps I have taken in pursuance of their Order of 19th October last, for the introduction of the new Settlement in the Chedambaram and Mannárgudi Táluqs in South Arcot.

2. In paragraph 6 of the above Order, the Government, considering the introduction of the new Settlement to be a delicate operation, directed me to undertake the work myself, and to allow nothing to divert my attention from it.

3. I have accordingly repeatedly visited the locality (though with inconvenience to other important parts of my duty) and with the assistance of Deputy Collector Tiruvencatacharry, whose services I was allowed to avail myself of, the new Settlement has been worked up and explained to the Ryots of the several villages, their objections examined into and disposed of under my immediate and personal direction.

4. With the exception of completing the fair copies of the Registers, the Settlement has been successfully made. It has been accepted generally by the people, and will come into operation with the commencement of the approaching Fasli, without, as far as can be foreseen, any difficulty whatever.

5. No doubt in some few cases where the new settlement results in an increase of assessment, the Ryots may at the first Jamabandi repeat the representations they have brought forward to me, as they are naturally disinclined to have their assessment increased (however reasonable this may be), but as the particulars of such cases have been gone into with the Ryots and are fully known to Tiruvencatacharry the Deputy Collector, he will be able to afford all requisite information regarding their disposal.

No. 236. ORDER THEREON, 27th May 1861, No. 1,095.

1. The Government are glad to learn that the introduction of the new Settlement has been effected in so satisfactory a manner.

2. The final completion of the fair copies of the Registers should be expedited as much as possible consistently with their accurate preparation.

(Signed) J. D. SIM,
Secretary to Government.
