Deputy Collector
Tanjore

Sir

With reference to your letter of this day's date, I have the honor to state, that, as you are still suffering from Dysentery, I think it necessary that you should give up work, and avail yourself as soon as practicable of the leave recommended by me on the 12th ultimo.

It is to be regretted that there has been so much delay in obtaining leave.

Regarding your mode of proceeding to Madras, I am of opinion that, for your complaint, a voyage by sea is decidedly preferable to a journey by land.

From

Collector of Bayne

To

J. D. Smith Esquire
Secretary to the Board of Revenue
Fort Saint George

Sir,

Para 1

I have the honor to forward an application for leave of absence for one month from Mr. A. D. Monte, Deputy Collector in charge of the Salt Department of this District, together with 2 Medical Certificates in support of the same.

2.

As the Board are aware, the season for ^{the} manufacture of Salt has just commenced and although the presence of the Dy. Collector cannot therefore, at present, be conveniently dispensed with yet, considering the circumstances under which the leave has been applied for, and so strenuously recommended by the Medical Officer, I have deemed it my duty to submit the application for the consideration and Orders of the Board.
