Read the following Petition:—

To His Excellency the Right Honorable the Governor in Council,

Fort Saint George.

May it please your Excellency,

The undersigned, purchasers of the land situated near the General Hospital Bridge, between the Coum river and the late town wall, sold at public auction under paragraph 4 of the Order of Madras Government, dated the 5th August 1859, beg respectfully to bring to your favorable notice that, on the 7th February 1861, when Mr. [illegible] the late Acting Governor of Madras inspected these lands was pleased to present twenty feet of land in front of our allotments; which we respectfully beg your Excellency will be graciously pleased to order the insertion of these twenty feet in our Certificates to avoid future difficulties that may probably arise from want of such insertion,

Order thereon, 27th May, 1861, No. 751.

Resolved that the grant of the space of twenty feet or thereabouts, between the allotments in question on the west and the 'Wall Tax Road' on the east, be confirmed to the several owners and purchasers thereof, and that this additional land be duly specified in the Certificates or Title Deeds issued to them. It is observed that by Order of Government 5th December 1860, No. 1,749, it was directed that the several parties should have the option of acquiring this extra space by purchase—but the Government have since on further consideration allowed them to attach it to their respective properties free of charge.

2. In the first instance, however, it will be necessary to secure a full uniform width of not less than 100 feet as the 'Wall Tax Road'—and the Municipal Commissioners will be requested to take immediate steps to have proper measurements to this end duly effected. The surplusage to the west of the road thus marked off, will be annexed to the respective allotments sold.
