Proceedings of the Madras Government, Revenue Department, 10th June 1861.

No. 91. Read the following Proceedings of the Board of Revenue, dated 16th May 1861, No. 2,489 :—

Read letter from the Collector of Malabar, dated 24th April 1861, No. 85, submitting an Estimate for 36 locks required for the use of the Salt Gollahs in that District.

(In Cons. 2nd May 1861, No. 2,720.)

1. Resolved that the above Estimate amounting to Rupees 144, be submitted for the orders of Government with the Board's recommendation that it be sanctioned.

2. In January last, the Board sanctioned an Indent on the Ordnance Department from the Collector of Malabar for 39 padlocks required for the Salt Gollahs of that District, as those in use were stated to be worn out. From the present application it appears that the padlocks in store at Cannanore will not answer the purpose, and hence the necessity for the Estimate now forwarded. The specimen padlock (Nettlefold's patent) sent for the Board's inspection is in their Office, and appears to be moderately priced at Rupees 4.

No. 90, dated 8th January 1861.

3. As requested by the Collector the supply on the sanctioned indent will be restricted to 15 out of the 39 padlocks included in it, as it appears that number is required for the Huzûr Treasury and the Salt Gollah gates.

(A true Extract.)

On the recommendation of the Board of Revenue, the Government sanction the purchase, at a total estimated cost not exceeding Rupees (144) one hundred and forty-four, of thirty-six padlocks for the use of the Salt Gollahs in the District of Malabar.
