FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India in the Financial Department, dated 21st May 1861, No. 5,805.

RESOLUTION.—Since the issue of the orders of this Department, No. 96 of the 8th instant, certain applications for expenditure on account of Establishments, &c., have been sanctioned on condition *that the expenditure is included in the sums sanctioned in the Budget under the heads of service to which the applications in question appertain.*

2. This course was pursued because, owing to the imperfect manner in which the details of the Budget Estimates have been prepared, it could not be ascertained whether the said expenditure had been provided for or not; and because it was considered desirable, in order to prevent delay, to enable the Civil Paymasters, in cases in which the expenditure might prove to be included in the Budgets, to pass bills for it in communication with the Local Governments, without waiting for further orders from this Department, to be issued after the necessary information had been obtained from the Local Governments in usual course.

3. It now appears that the object of the abovementioned condition has not been fully understood; and it is considered necessary, therefore, to intimate for the information and guidance of the authorities concerned, that in cases in which the said condition has been imposed, it will be the duty of the Civil Paymasters, before passing the expenditure, to enquire from the Local Governments or Departments of the Government of India whether it is included in the Budget or not.

4. If, after such enquiry, it shall appear that it is included in any of the Budget Grants sanctioned by the Government of India, the Civil Paymasters will pass it for payment, and report having done so to this Department. If, on the other hand, it shall appear that it is not so included, the Civil Paymasters will decline to pass it for payment, pending further orders from this Department.

5. It will further be understood that the fact of provision being made in the Budget for any particular item of expenditure does not, *per se*, justify the Civil Paymasters in passing such expenditure for payment. They will, as directed in paragraph 20 of the Budget and Audit Committee's report, No. 10, of the 18th January last, continue to pass charges according to the then "existing practice of the Civil Auditors;" and every charge must be covered by a specific sanction from competent authority, except in cases otherwise especially provided for.
