*Proceedings of the Madras Government, Revenue Department,
26th June 1861.*

No. 232. Read the following Memorandum from W. WATERFIELD, Esq., Officiating Civil Paymaster, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th June 1861:—

With reference to the orders of the Government of India, in the Financial Department, No. 102, dated 21st May 1861, the Officiating Civil Paymaster has the honor to inquire what saving has been effected to meet the charge for a temporary Establishment of Stamps for May 1861, Rupees 33-0-0, provision for which has not been made in the Budget.

Fort Saint George Gazette, 31st May 1861,
page 761.

No. 233. ORDER THEREON, 26th June 1861, No. 1,242.

Resolved that the Officiating Civil Paymaster be informed that the charge in question is not one which can be met by a reduction of other expenditure. It is found absolutely necessary to meet the very great demand for Stamps under the new Act. The Stamp Revenue has considerably increased, and any delay in stamping papers for which this small Establishment is entertained, will not only be the cause of great inconvenience to the public, but will also entail a loss on Government. The Civil Paymaster will, therefore, be directed to pass the charge as a special case.

Proceedings of the Madras Government
under date the 26th June 1867

Read the following Minute
concerning how the charge of from the Off^g Civil Paymaster
33 Rs for a temporary establishment.
need of stamps for May 1867 (Here enter 13 June 1867)
be met with there being no
provision made in the Budget. Resolved that the

Off^g Civil
Paymaster be in-
formed that the
charge in question
is not one which can
be met by a reduction
of other expenditure.
It is found absolutely
necessary to meet the
very great demand
for stamps under the
new Act. The Stamp
Revenue has consider-
ably increased and
any delay in stamping
papers for which the
small Estab^t is
maintained is entirely
un-
warrantable.

It appears to me that we are
not bound to enter into such
Explanations as these to the
Civil Auditor - It is sufficient
that on the 24th May we
sanctioned for sufficient
reasons, the employment
of the hands in question
of the Civil Auditor's office.
He should be told that the
Gov^t considered it a matter
of necessity and he directed
to pay the amount - he
will then refer to the Auditor
and the case will be settled.

will not only be the
cause of great in-
convenience to the
Public but will also
entail a loss on
Government. The
Civil Paymaster
will therefore be
directed to pass
the charge as a
special case, and
he will be inform-
ed that an ap-
plication for the
revision of the
Stamp Certificate
must will be
sent to the Govt of
India immediately.
