*Proceedings of the Madras Government, Revenue Department,
26th June 1861.*

No. 261. Read the following Proceedings of the Board of Revenue, dated 14th June 1861, No. 3,119:—

Read the following letter from the Government Pleader, Sudder Adalat, dated 10th June 1861, No. 109.

(In Cons. 11th June 1861, No. 3,535.)

1. Resolved that the letter above recorded be submitted for the orders of the Honorable the Governor in Council.

2. In their Proceedings, dated 23rd April 1861, No. 2,096, the Board have so fully entered into the particulars of the Suit to which the above letter refers, that it is not necessary to recapitulate them on the present occasion. Mr. Dale, to whom a copy of those Proceedings were forwarded with the view of ascertaining his opinion as to the propriety of appealing to the Court of Sudder Adalat, entirely concurs in the sentiments of the Board and strongly advises an appeal, not only on account of the extraordinary course pursued by the Civil Judge of Madura in raising and deciding upon issues foreign to the pleadings, but because the object with which the defence was originally undertaken, viz., to bring the question as to the validity of the adoption set up in this case to an issue, has been totally frustrated.

3. Under these circumstances, the Board recommend that an order be issued authorizing Mr. Dale to appeal to the Sudder Adalat from the Decree of the Civil Judge in Original Suit No. 1 of 1860, on the file of his Court.

4. The Board will supply Mr. Dale with the documents relating to the Suit which can be found on their records. The Collector will be requested to forward the remainder as early as practicable, and to afford the information required in paragraph 6 of Mr. Dale's letter. He will also immediately attend to the requisition in paragraph 9, and state the value at which the Zamindary should be rated with the view of determining the amount of the Stamp on which the appeal petition should be engrossed.
