*Proceedings of the Madras Government, Revenue Department,
28th June 1861.*

No. 303. Read the following Proceedings of the Board of Revenue, dated 31st May 1861,
No. 2,780:—

Read again letter from the Collector of Salem, No. 45, dated 21st March 1861.
(In Cons., 26th March 1861, No. 1,906.)

Read also the following letter from the same Officer, No. 74, dated 11th May 1861.

With reference to the Proceedings of the Board of Revenue, dated 25th ultimo, No. 2,141, calling on me to submit a comparative statement showing for each item the amount sanctioned in the standard estimate and that actually expended, I have the honor to submit the statement now called for prepared in the manner required.

Resolved that the above communications be submitted to Government, with the Board's recommendation that the excess Sádírwarid charge of Rupees 1,127-4-0 incurred in the Salem District in Faslis 1268 and 1269 above the standard amount be sanctioned, the increase having been occasioned partly by the prices of the articles having risen since the original estimate was framed, and partly by the extra expense attending the preparation of the accounts connected with the reduction of the assessment

No. 304. ORDER THEREON, 28th June 1861, No. 1,279.

The Sádírwarid expenses of the Salem District show a great excess in Faslis 1268 and 1269 above the sanctioned standard. The main items of increase are paper and lamp oil. The Board should call for a statement of the quantities used of these articles, and if satisfied with the Collector's explanation, re-submit the application for the orders of Government.

Secretary to Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 25th April 1861.

Read the following letter from H. A. BRETT, Esq., Collector of Salem, to J. D. SIM, Esq., Secretary to the Board of Revenue, Chepauk, dated Namcul, 21st March 1861, No. 45:—

1. I have the honor to forward a Memorandum showing the amount expended in excess on account of the Huzur Saderward in Faslis 1268 and 1269, and to request that the Board will be good enough to obtain the sanction of Government for the extra expenditure.

2. The excess in Fasli 1268 was Rupees 384-4-8, in Fasli 1269 Rupees 742-15-4, amounting in the aggregate to Rupees 1,127-4-0.

3. The increase over the sanctioned amount was chiefly owing to the enhanced price of all the different articles embraced in the Saderward account. For instance, the price of oil at the time when the fixed Saderward allowance was sanctioned for this District, was 4½ measures the Rupee; whereas the present price is only 2½ measures a Rupee. The increase of expenditure in Fasli 1269 may also be ascribed in part to extra expenses attending the preparation of the accounts connected with the reduction of the assessment. The sum expended under that head on account of oil, ink and sundries, amounts to nearly Rupees 350.

4. In a short time I hope to submit the revised Saderward Estimates called for by the Board in their Circular, dated 20th October 1860, No. 4,982.

ENCLOSURE No. 1.

ABSTRACT.—Memorandum showing the amount expended in excess on account of the Huzur Saderward in Faslis 1268 and 1269.

Before submitting the foregoing letter for the orders of Government, the Board resolve to call on the Collector for a comparative statement showing for each item the amount sanctioned in the standard estimate and that actually expended, such information having been called for by Government in respect of other Districts making similar applications.
