*Proceedings of the Madras Government, Revenue Department,
28th June 1861.*

No. 316. Read the following Proceedings of the Board of Revenue, dated 23rd May 1861,
No. 2,630 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to J. D. SIM,
Esq., Secretary to the Board of Revenue, Chepauk, dated Kistnapatnam, 23rd April
1861, No. 76.

SIR,

1. With reference to the instructions of the Board, No. 1,516 of the 22nd ultimo, communicating the orders of Government, calling for an explanation as to why the sum of Rupees 56-9-7, the charge on account of paper for the District Gazette in Fasli 1267 is included in the statement of charges incurred in the preparation of the new forms of village accounts, while the same was provided for out of the saving in the ordinary Jamābandī Sādirwārid of the District, as would appear from the third paragraph of the letter from the late Collector Mr. Elton, No. 212, dated the 29th December 1858, I have the honor to state that that sum, viz., Rupees 56-9-7, does not appear to have been provided for as stated owing to there having been no saving at all, but on the contrary, a sum of Rupees 251-6-8, having been incurred for that Fasli in excess of the sanctioned amount. Mr. Elton applied* to

Government through the Board of Revenue, for sanction of the excess which he attributes partly to the purchase of paper for printing Salt Ravannas, and partly to an increase in the price of oil and coarse cloths for Duffers; and no allusion whatever is made therein regarding the supply of paper for District Gazette. I request, therefore, that the Board will be pleased to obtain the sanction of Government for the charges incurred on account of District Gazette from Fasli 1267 to Fasli 1269, amounting to Rupees 275-1-9.

2. In regard to the point whether the paper for the Gazette cannot be paid from the Press receipts, I beg to state that this could be done, but at the same time I would not recommend it. The Press still requires much material to meet the current demands; and till it has been fairly set up in type and plant of all kinds, the total Press receipts should in my opinion be wholly devoted to this all-important object.

1. Submitted for the information and orders of Government, with reference to their Proceedings, No. 616, dated 16th March 1861.

2. Under the Collector's explanation, the Board recommend that the remaining excess of Rupees 275-1-9, being the value of the paper employed in printing the District Gazette in Nellore for Faslis 1267 to 1269 inclusive, which was disallowed in the above order, be sanctioned.

3. The Board agree with the Collector that the receipts from the Press should for the present be appropriated towards completing its material, and that until this is done, the cost of the paper required for the Gazette may be defrayed as other ordinary Sādirwārid charges.
