Proceedings of the Madras Government, Revenue Department, 3rd July 1861.

No. 34. Read the following letter from R. E. MASTER, Esq., Acting Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st June 1861, No. 1,024 :—

SIR,

In reply to the Order of Government, dated 28th ultimo, No. 1,106, referring for the report of the Director of Revenue Settlement a letter from the Superintendent of Revenue Survey, suggesting that authority be granted to him to sanction estimates for petty charges up to Rupees 100, I have the honor to state that I am aware of no objection to a compliance with Captain Priestley's request, provided that the nature of the items to be included in such estimates is defined, and that the Government see fit to recall their Order of the 24th December 1858, No. 1,721. The ground on which the power now asked for, was then withheld, was that it was usual for the controlling authorities alone of the several Departments to be vested with the power to sanction estimates for petty charges, but it may be observed that the Superintendent of Revenue Survey is the controlling authority of his Department, and that even under the present system of obtaining the Director's sanction in each instance the decision (as remarked by Captain Priestley in paragraph 4 of his present letter) virtually rests with himself.

18th May 1861, No. 507.

No. 35. ORDER THEREON, 3rd July 1861, No. 1,321.

Under the circumstances stated, the Government are pleased to extend to the Superintendent of Revenue Survey the power granted to the several controlling authorities in the Civil Department by Extract Minutes Consultation, Financial Department, dated 26th January 1858, No. 46, to sanction estimates for petty charges of the description therein alluded to not exceeding Rupees (100) one hundred. A copy of that order will be furnished to Captain Priestley.
