Statement

I hereby certify that Kootoorawmy was
admitted to the Devery Hospital on
the 17th May 1861. I found him to be suffering
from a permanent stricture of the
urethra evidently of considerable duration
& subject to occasional aggravations of
spasmodic character causing complete
retention of urine & necessarily accompanied
with great suffering — He only remained
under my treatment for one day being anxious
as I was informed to proceed to his own
country in the district of Tanjore — His
disease is of a very serious nature

15th July 1861.

Medical Certificate

I John Wm Hudge Esq.
Major 2nd District

I do hereby certify that J. Muthusami
Esq. Deputy Collector attached to the
Siam Commission was in a bad state of
health, and I solemnly and sincerely declare
that according to the best of my judgment,
a change of air was essentially necessary
to his recovery; & that the circumstances of
his case were such as to render leave
of absence for the period of one month or
half or more highly desirable—

15th May 1861.
