Proceedings of the Madras Government, Revenue Department, 18th July 1861.

No. 249. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 18th June 1861, No. 941 :—

SIR,

1. Adverting to the Proceedings of Government, dated 12th June 1861, No. 1,183, referring to me for report the Proceedings of the Board of Revenue, dated 27th May last, I have the honor to state that the Establishment of Peons therein referred to has been entertained temporarily in some Táluqs of Bellary, on the revision of Táluq Establishment, for the performance of District Postal duties, there being none allowed in the revised scale to perform the work. I therefore beg to recommend that sanction may be granted for the sum of Rupees 554-7-0 applied for by the Collector.

2. Similar Establishments that may be entertained in other Táluqs also, for the same purpose, must be authorized till the Dâwk Establishments are completely revised. It is not, however, necessary that the Collector should pay these salaries from the permanent advance fund, and that the same should be reported every month for the sanction of Government. Mr. Hathaway should state, once for all, the probable amount required for each Táluq on account of District Dâwk, and that being sanctioned by Government, the expenditure can be incurred by the Collector within the amount from the general fund without the necessity of a further sanction.

No. 250. ORDER THEREON, 18th July 1861, No. 1,429.

1. The Government sanction the sum of Rupees (554-7-0) five hundred and fifty-four, and Annas seven, referred to in paragraph 1 of this letter, being the pay from November 1860 to March 1861, of the Peons temporarily employed by the Collector of Bellary in certain Táluqs for the performance of District Postal duties.

2. With reference to paragraph 2, the Government request Mr. Pelly to call upon all Collectors to calculate the probable amount required for each Táluq on account of the District Dâwk, and if provision has not been made for the purpose in the Budget of this year, he will instruct them to enter the necessary amount in the Supplemental Budget being now prepared.

Secretary to Government.
