No. 25. ORDER THEREON, 2nd August 1861, No. 1,438.

The number of Executive Ranges in Malabar having been raised from three to four at an additional cost of 75 Rupees a month, the Government sanction this extra amount, which makes the monthly cost of the Malabar Executive Ranges Rupees 375, and not 300 only, as entered in the Chief Engineer's statement sanctioned by Government in their Proceedings of the 25th March 1861, No. 594. It was noticed in Proceedings dated 1st July 1861, No. 1,217, that the total cost of the Range Establishments of all the Districts was 10,472 Rupees a month, or 1,25,664 Rupees per annum ; but the extra amount now sanctioned makes the total cost 10,547 Rupees a month, or 1,26,564 Rupees a year. This sum, however, still falls short of the amount (1,32,912 Rupees per annum) noticed in paragraph 2 of the Order of the 25th March last, as available to meet the above cost.

The number of executive ranges in Malabar having been raised from 3 to 4 at an additional cost of 75 Rs a month, the Govt sanction this extra amount, which makes the monthly cost of the Malabar Executive range Rs 375, and not 300 only as entered in the Chief Engr's Statement sanctioned by Govt in their Pro: of the 25th March last, Nº 379.

It was noticed in Pro: dated 1st July last, Nº 1217, that the total cost of the range establishment of all the districts was 10,552 Rs a month, or 1,26,664 Rs per annum; but the extra amount now sanctioned makes the total cost 10,587 Rs a month, or 1,27,044 Rs a year. This sum however still falls short of the amount (Rs 1,32,912 per annum) noticed in para 2 of the order of the 20th March last as available to meet the above cost.
