Proceedings of the Madras Government, Public Works Department, 3rd August 1861.

No. 62. Read the following letter from R. P. HARRISON, Esq., Accountant General, to T. PYCROFT, Esq., Chief Secretary to Government, dated Fort Saint George, 25th July 1861, No. 85:—

SIR,

With reference to my letter No. 33, dated the 7th ultimo, I beg to report that the Chief Engineer in a letter to my address, dated the 26th ultimo, has represented that inconvenience will be caused by the withdrawal of the permanent advance hitherto allowed to each District Engineer, as no funds can be drawn out of the provision made in the Budget for contingencies, except upon bills passed by the Civil Auditor. I solicit therefore the sanction of Government to the continuance of a permanent advance of 50 Rupees to each District Engineer as authorized by the Government in their Order* of the 3rd April 1856, and that the Order passed upon my report of the 24th April 1861, No. 480, may not be considered applicable to District Engineers.

* Public Works Department.

No. 63. ORDER THEREON, 3rd August 1861, No. 1,459.

Ordered accordingly that each District Engineer be allowed a permanent advance of Rupees (50) fifty, under the Order of 3rd April 1856, No. 477, Public Works Department.

Secretary to Government.
