Proceedings of the Madras Government, Revenue Department, 24th July 1861.

No. 348. Read the following Proceedings of the Board of Revenue, dated 3rd June 1861, No. 2,865 :—

Read the following letter from W. BALMAIN, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 1st June 1861, No. 947.

SIR,

In continuation of my letters, No. 820 of 20th April, and No. 879 of 13th May last, regarding the increased demand for Stamps, I have the honor to report that there are to-day indents uncomplied with to the extent of 7,00,000 of which 5,00,000 are required more or less for present use. The number of rolls of Stamped paper issued during May has been 2,54,000. There are also indents for 1,25,000 Cadjans, but as the stamping and issue of these takes double the work and time required for paper stamps, I am not at present able to take up these indents.

Ordered to be submitted to Government for information in continuation of the Board's letter* forwarding the tabular Statement for the proposed increase of Establishment.

* Dated 27th May 1861, No. 2,653.
