PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer; to J. D. SIM, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 26th July 1861, No. 3,177.

Medical.

From District Engineer, 25th May 1861, No. 100, with 4 Enclosures.
To Collector, 15th June 1861, No. 1,604.
From do., 12th July 1861, No. 131, with 1 Enclosure.

I have the honor to forward herewith the correspondence, as per margin, with the Collector and District Engineer of North Arcot, relative to repairs executed to the building occupied as the Civil Dispensary at Chittoor by the Polygar of Vencatagherry, at a cost of Rupees 74-0-9.

2. Under the authority conveyed in Extract Minutes Consultation, dated 17th July 1851, No. 665, the building in question was taken by Government on a lease from the Polygar for three years at a monthly rent of Rupees 16 for the purpose of being used as a Dispensary, one of the conditions of the lease being that the repairs should be performed by Government. Subsequently in Extract Minutes of Consultation, dated 24th September 1857, No. 1,364, the lease was renewed for an indefinite period on the same terms, and the building has since been repaired at different times at the expense of Government, except on the last occasion when they were executed by the Polygar of Vencatagherry. In explanation of the reason why the District Engineer was not requested to carry out the same as heretofore, the Collector states that "in his eagerness to have the place put in order" on the urgent solicitation of the Zillah Surgeon, he omitted to make the necessary application to the District Engineer, but requested the Polygar to carry out the repairs.

3. Under these circumstances, I request that authority may be granted for the disbursement to the Polygar of the sum of Rupees 74-0-9 expended by him.

ORDER THEREON, 3rd August 1861, No. 1,131.

The Bill, amounting to Rupees (74-0-9) seventy-four and Pice nine, is sanctioned; but the Collector was not justified in pursuing the course he did.
