ECCLESIASTICAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of Government in the Public Works Department.

Communicating copy of a letter from the Deputy Chief Engineer, reporting that there is no prospect of any assistance being obtained from the members of the Irrigation Company towards the erection of the Church at Kurnool. (Here enter 22nd July 1861, No. 1,354.)

ORDER THEREON, 5th August 1861, No. 221.

It is observed that of the sum, *viz.*, Rupees 5,930 required for the erection of a Church, &c., at Kurnool, only Rupees 5,077 are available, leaving Rupees 853 yet to be obtained from private sources.

2. In assenting to the commencement of the proposed Building, the Government fully believed that the anticipations of the District Engineer, that more than the requisite sum to complete it would be obtained from the Members of the Irrigation Company and from others, would be realized. It would now appear from the letter of the Deputy Chief Engineer in charge, of the 6th instant, No. 2,438, that there is no prospect of any assistance from the Company, and as aid from other sources may equally fail, the Government doubt the expediency of proceeding with the Building, as proposed by Lieutenant Colonel Birdwood, with means insufficient to complete it.

Order 4th July 1861, No. 201.

3. No further steps will therefore be taken in the matter until the full amount required for the erection of the Church is forthcoming.
