*Proceedings of the Madras Government, Revenue Department,
30th July 1861.*

No. 409. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 30th July 1861, No. 1,509.

Read Lists submitted by the Officiating Civil Auditor, dated 13th July 1861.

1. Resolved that these Lists be forwarded to the Government of India through the Military Department.

2. The Governor in Council is of opinion that Officers holding purely Civil appointments should receive a fixed consolidated salary, not varying with their Military rank. He is not in a position at present to determine what should be the salary of each office, and therefore considers that the present total emoluments should remain unaltered, until further deliberation and communication with the Heads of Departments enable the Government to decide what would be a proper remuneration for each situation. This question will be considered without delay, and the Heads of the different Departments in the Revenue, Public Works, Forest, Survey and Settlement Departments, will be called upon to state their views on the subject, and to furnish lists showing the present and proposed allowances of each office. It is to be understood that the salary will be fixed according to the nature of the work to be done, the qualifications requisite in the incumbent, the responsibility incurred, and other similar considerations connected with the office. The rank of the incumbent or the service to which he belongs will be disregarded.
