Proceedings of the Madras Government, Public Works Department, 10*th August* 1861.

No. 200. Read the following Endorsement of the Chief Engineer, dated Chepauk, 3rd August 1861, No. 3,529:—

Read the following letter from Captain A. S. MOBERLY, District Engineer of Madras, to Lieutenant-Colonel A. J. M. BOILEAU, Deputy Chief Engineer Central Circle, dated Camp Poonamallee, 20th July 1861, No. 509.

SIR,

1. In reply to Proceedings No. 2,852 of the 18th instant, forwarding a Memorandum, No. 256 of the 17th idem, from the Secretary to Government, and asking for certain information regarding the Pummel Tank, I have the honor to inform you that Proceedings No. 1,648 of the 19th ultimo, was received by me on the 18th idem; that not having at the time any person available to prepare the Survey, &c., I proceeded to Madras and asked Captain Carpendale, the Principal of the Civil Engineering College, to recommend some person who had passed the examination and was competent to carry out the Survey, I promising to pay the man's expenses out of my own pocket.

2. Captain Carpendale recommended Mr. O'Neill, who had just passed the prescribed examination as an Assistant Overseer, and said that he would send him to me, and the man came to my Office on the evening of the 24th; on the morning of the 26th ultimo, I pointed out what was required and he has since been employed in making the Survey, &c. Mr. O'Neill was laid up with fever for a few days, but is now carrying on the work again, and I expect that he will have the Survey and Levels completed by the end of this month, when I shall be able to prepare the estimate.

---

1. Submitted to Government with reference to Public Works Department Secretary's Memorandum, No. 256, dated 17th July last, and to the 2nd paragraph of my letter of the 22nd idem, No. 2,950.

2. The expense incurred in the preliminary survey by Mr. O'Neill should, in the opinion of the Chief Engineer, be charged to the estimate for the work. An Assistant Overseer, Mr. Donaghue, has since been appointed to the Madras District, *vice* Mr. Plumbe, and the District Engineer proposes placing him in charge of the Cumbum Cál Channel, by means of which the water of the Pálár is to be conveyed to the Madras District and into the Basin of the Adayar.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engineer.

No. 201. ORDER THEREON, 10th August 1861, No. 1,526.

The arrangements stated by the Chief Engineer in paragraph 2 are approved.

(Signed) J. D. SIM,
Secretary to Government.
