*Proceedings of the Madras Government, Revenue Department,
3rd August 1861.*

No. 45. Read the following Proceedings of the Board of Revenue, dated 18th July 1861,
No. 3,822:—

Read again letter from the Collector of Ganjam, dated 15th August 1860, No. 210.
(In Cons. 28th August 1860, No. 4,238.)

Read also the following letter on the same subject, dated 27th June 1861, No. 168.

With reference to the Board's Proceedings dated the 4th September 1860, No. 4,039, I have the honor to report for their information that the Proprietress of Teckali has placed at the disposal of Government the land which it was considered necessary to leave uncultivated round the Nowpada Salt platform, but requests an annual reduction from her Peshkash of Rupees 51-8-9, being average shist of the above lands. I request therefore that the Board will be pleased to obtain the sanction of Government to reduce the Peshkash of the Estate by 60 Rupees which in round number represents the shist on 14 acres and 24 coontas of land at 4 Rupees the acre.

Ordered to be submitted to Government with the Board's recommendation that the Collector be authorized to make a permanent reduction of Rupees, 60 in the *Peshkash* of Teckali Estate, being the equivalent in round numbers of the annual rents derived by the Proprietress from lands in the vicinity of the Nowpada Salt pans, placed at the disposal of Government for the formation of halting places for the traders who congregate there for the purpose of buying salt.
