FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 6th July 1861, No. 8,346.

Read again the Financial Resolution, No. 7,183, dated the 14th June 1861, relative to the disposal of applications for expenditure in excess of Budget Grants.

RESOLUTION.—In the abovementioned Resolution, His Excellency the Governor General in Council directed that orders be issued to the several Departments of the Government of India to the effect—*First*, that as few sanctions to applications for expenditure as is possible, without absolute inconvenience, be given in those Departments, and, *Secondly*, that in all cases (whether for charges for establishments, or contingencies, or any other class, and whether fit for sanction in other Departments, or for transmission to this Department for consideration) enquiry be made, in the first instance, whether the expenditure can be met out of the Budget Grants, and that the fact of its being so met or otherwise be invariably stated in the orders communicating the papers to this Department.

2. In continuation of the above orders, His Excellency in Council directs that the information, whether the expenditure can be met out of the Budget Grants or otherwise, be invariably afforded *at the time that the cases are submitted for the orders of Government* in the several Departments.

3. In regard to grants of land to individuals, which are occasionally sanctioned in the Foreign Department, causing a diminution of revenue, the Governor General in Council directs that enquiry be also made whether the revenue of such land has been included or not in the estimated "Revenues and Receipts" entered in the Budget; the information being laid before Government in the manner stated above and noted in the orders communicating the papers to this Department.

4. The same rule applies to the release of Jagheers.

5. In the case of resumption of Jagheers causing an enhancement of Revenue, it should be ascertained and stated whether the amount has been included in the Budget Estimate, in anticipation, or whether it should now be added to the "Revenues and Receipts."

ORDER.—Ordered, that copies of the above Resolution be sent to the Departments* and Governments† noted in the margin, and to the Officers noted below, viz.
