Proceedings of the Madras Government, Public Works Department,
15th August 1861.

No. 266. Read the following Endorsement of the Chief Engineer, dated Chepauk, 1st August 1861, No. 3,379 :—

Read the following letter from Captain J. STODDARD, Acting District Enginer Godavery, to Captain F. H. RUNDALL, Acting Deputy Chief Engineer, Northern Circle, dated Dowlaishwaram, 9th July 1861, No. 390.

SIR,

In Order of Government, No. 568, dated 20th March 1861, a small establishment at the rate of Rupees 81-4 a month, including the sum of Rupees 3-4 for oil and hemp, was sanctioned for five months from 1st December last to 30th April 1861, to watch and clean the machinery, &c., of the three Blythe's Sea Tugs. As the steamers "Frank and Ada" and "Fred and May" are completed, and the "Godavery" launched, and the three steamers must be looked after, I have the honor to request that the Chief Engineer will be good enough to obtain the sanction of Government for the sum of Rupees 975 being expended during the current official year at the above rate of Rupees 81-4 per mensem, or until such time as the Tugs may be employed or full establishments sanctioned by Government.

---

1. Submitted for the sanction of Government with remarks, that two of the vessels, viz., the "Frank and Ada" and "Fred and May," are expected to be at work in the current month, when their expenses will be charged to the works on which they are engaged. The former will be employed on the river at the Anicut; the latter in the Cocanada harbour, towing the spoil punts attached to the Dredge.

2. The third vessel, the "Godavery," cannot be put to work until the boiler which was lost in the surf at Madras has been replaced by one from England. (*Vide* Proceedings of Government No. 2,072, dated 5th October 1860.)

3. The amount applied for, viz., Rupees 81-4 per month from 1st May 1861, or Rupees 975 per annum, will be met from the general funds of the District.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engineer.

No. 267. ORDER THEREON, 15th August 1861, No. 1,559.

Sanction is granted for the expenditure from 1st May 1861, of the amount applied for, viz., Rupees (81-4) eighty-one and Annas four a month, being the cost of establishment, &c., on account of the three Sea Tugs referred to in this paper. This outlay will, as proposed, be met out of the general funds of the Godavery District; and will be incurred until such time as the Tugs may be employed when the expenses of the vessels should be charged to the works on which they may be engaged.

(Signed) J. D. SIM,
Secretary to Government.

Godavery District Engineer's Office

Dowlaiseram 9th July 1861.

No. 390.

From,

Captain J. Stoddard

Acting District Engineer Godavery.

To,

Captain F. H. Randall

Acting Deputy Chief Engineer Northern Circle

Madras.

Sir,

In order of Government No. 568 dated 20th March 1861 a small Establishment at the rate of Rupees 81-4-0 a month including the sum of Rupees 3-4-0 for oil and hemp was sanctioned for 5 months from 1st December last to 30th April 1861, to watch and clean the Machinery &c. of the 3 Blythes Sea Tugs - as the Steamers "Frank and Ada" and "Fred and May" are completed, and the Godavery launched, and the 3 Steamers must be looked after, I have the honor to request that the Chief Engineer will be good enough to obtain the sanction of Government for the sum of Rupees 975 being expended during the current official year

at-

at the above rate of Rupees 81–4– per mensem or until such time as the Tugs may be employed or full establishmentes sanctioned by Government.

I have &c.
