Read letter from the Collector of Nellore, dated 8th May 1861, No. 87, furnishing the information regarding roads called for in the Board's Proceedings of the 16th December 1859, No. 5,244.

(In Cons. 13th May 1861, No. 2,926.)

1. Ordered to be submitted to Government as promised in the Board's letter, dated 31st May 1860, No. 2,609.

No. 293. ORDER THEREON, 17th August 1861, No. 1,572.

1. The Government believe that the first two roads mentioned in paragraph 2 of the Collector's letters have been constructed entirely from public funds, and are maintained from the same source, and that the same is true of the fourth road as far as Goodoor. If this be the case, all these lines are "Imperial." The third road must be classed on the same principle.

2. The Board have properly noticed the delay in the submission of the Collector's report.

Secretary to Government.

In Cons. 13th May 1861, No. 2,926.

From J. W. B. DYKES, Esq., Collector of NELLORE,
dated 8th May 1861, No. 87.

With reference to the Board's Proceedings of the 16th December 1859, No. 5,244, I have the honor to state that the only road in this district which may be classed as "imperial," is the grand trunk road as far as Ongole and thence branching northward into two lines, the more western to Hyderabad, and the other to Guntoor, Bezwada, &c.

2. The "non-imperial" lines are the cross cotton roads, &c., enumerated in my letters of the 10th ultimo, and of this date, No. 57, and namely, (1) the road from Cumbum, viâ Ongole to the coast at Kottapatnam; (2) the road from Cuddapah, viâ the Dorenall Pass and Nellore to the coast at Krishnapatnam; (3) the road from Nellore to the coast at Gangapatnam, and (4) the road from Cuddapah viâ the Rapuru Ghat and Guduru to the coast at Dugarazupatnam.
