Proceedings of the Madras Government, Public Works Department, 20th August 1861.

No. 310. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Secretary to Government, dated Chepauk, 8th August 1861, No. 3,691:—

SIR,

1. I have the honor to report for the information of Government, that in their Proceedings No. 194, dated 28th May 1861, Public Department, a pension of Rupees 8 per mensem was authorized to be granted to Kulla Pillai, late a Gumáshta attached to the Executive Engineer's Office at Bangalore commencing from the 1st June last.

Proceedings No. 1,552.

2. The Proceedings in question were received in the Central Office on the 31st May, and communicated to the Executive Engineer Bangalore on the 14th June following.

3. The Executive Engineer Bangalore now brings to notice that Kulla Pillai continued to do duty in his Office until the receipt on the 18th June of his pension Certificate, when he was instructed to cease attending, and that as he actually performed his work up to the date just mentioned, his full salary as Gumáshta for the first eighteen days of June was charged in the Pay Abstract for that month.

4. As, however, the pension granted to Kulla Pillai was authorized to commence from the 1st June, the Civil Auditor objects to pass his salary as Gumáshta from the 1st to the 18th of that month without the special orders of Government, and considering that this arrangement will entail no additional expense to the State, I have the honor to request that the necessary authority may be granted.

5. In the event of Government sanctioning the above, the Pension Certificate of Kulla Pillai will be called for and submitted to the Chief Secretary, with a view to the necessary correction being made in the date from which the grant is to take effect.

No. 311. ORDER THEREON, 20th August 1861, No. 1,581.

Under the circumstances stated, the Government authorize the Civil Paymaster to pass for payment the difference of pay due to Kulla Pillai for eighteen days in June last, amounting to Rupees (5-11-2) five, Annas eleven and Pice two. The Pension Certificate will be altered in due course.
