1 Letter, dated 29th July 1861, No. 519, with four enclosures.

SIR,

1. With reference to the correspondence marginally noted, which has taken place on the subject of the Chapter of the new Code relating to leave to members of the Public Works Department, I have the honor to submit for the information of Government the accompanying letter from the Acting District Engineer of Trichinopoly, from which it will be seen that the change proposed to be made in existing rules so far as permitting District Engineers to grant one month's privilege leave to the Upper and Lower Subordinates, is very much needed.

2. With regard to paragraph 5 of Lieutenant Palmer's letter above referred to, I have the honor to state that in their Proceedings of the 7th January 1860, No. 56,

Paragraph 13.

Government ruled that the grant of casual leave could only be allowed in the case of members of Office Establishments. It seems to me, however, exceedingly desirable that this indulgence should be extended to the Executive Establishment, particularly in such cases as those mentioned by Lieutenant Palmer, and I would strongly recommend a re-consideration of the subject when passing orders on the Chapter of the new Code above adverted to.

No. 337. ORDER THEREON, 22nd August 1861, No. 1,594.

Referred to the Civil Paymaster for his opinion.

(Signed) J. D. SIM,
Secretary to Government.
