No 15
Proceedings of the Madras Government
Under date the 26th January 1861

Read the following
letter from Raja K. Velugoti
Comara Yachama Naidu Bahadur,
Zamindar of Venkatagiri, Nellore

Submits in triplicate a Memorial
to the Home Gov^t claiming exemption
from the payment of certain sums in
excess of the permanent the best of his
Zamindari, and requests its transmission
to the reasons stated.

(Received 15th Dec^r 1860 H^e)

forward viz. the non-possession
of any lands whatever out-
side the ring-fence of his Za-
mindari, has been already
considered.

The Zamindar, it would
appear, wilfully misstate his
case. He must know perfect-
ly well the true reason of
the alleged extra payments.
but he affects to misunderstand.
He is able to enter in his Memo-
rial extracts (the 'garbled') of
papers, which could have been
obtained ^{only} from Gov^t Office (and
that probably in an illicit man-
ner) is evidently quite up in
his own case.

C. M.

The Governor in Coun-
cil resolves to inform the Venkat-
agiri Zamindar that the Memo-
rial received with his present
address cannot be transmitted
to the Secretary of State as he requests.
The whole matter has been fully
perused on before and the claim
negatived; and now matter
having been brought forward on
the present occasion, it is unne-
cessary to reopen the question.
