Proceedings of the Madras Government, Public Works Department, 23rd August 1861.

No. 348. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Secretary to Government, dated Chepauk, 1st August 1861, No. 3,401 :—

SIR,

1 Letter from District Engineer, No. 376, dated 10th July 1861.
1 Abstract Estimate.

1. I have the honor to forward for submission to Government, a supplemental estimate amounting to Rupees 170, for re-building the Choukeydár's shed at the Valinokem salt pan, in the District of Madura.

2. In the estimate of Rupees 8,520 prepared in 1858, and sanctioned by Government in their Proceedings No. 1,979, dated 18th August 1859, an item of Rupees 45 was included for repairing the Choukeydár's shed in question, but owing to the insufficiency of the amount, the work was not carried out, and the walls are now reported* to be in such a dilapidated state as to require re-construction. The sum of Rupees 45 already sanctioned, has been deducted in the present estimate, as indicated in the margin.

* Detailed estimate in column of Remarks.

Amount of estimate	215
Deduct amount already sanctioned.	45
Amount required.....	170

3. Provision is made in the estimate for roofing the shed with palmyrah rafters and cadjan thatch.

4. The estimate has been examined and corrected in this Office. The rates given therein are those ruling in the Madura District, and are moderate but sufficient to carry out the work. I request therefore, that early sanction may be accorded to the estimate Rupees 170, to be defrayed from the general funds placed at the disposal of the District Engineer, for expenditure during the current official year.

No. 349. ORDER THEREON, 23rd August 1861, No. 1,600.

The Government sanction from the general funds at the disposal of the District Engineer of Madura during the current official year, the estimate of (170) one hundred and seventy Rupees submitted with this letter, for repairing the Choukeydár's shed at the Valinokem salt pan. This amount added to 45 Rupees previously sanctioned for the same purpose, raises the total sum to be expended in the repair of the building to Rupees 215.

(Signed) J. D. SIM,
Secretary to Government.
