WORDS

26th April 1864

Respectfully requests to be informed why his services have been summarily placed at the disposal of Commander in Chief. Has been informed, but sees his name in Gazette on arrival with Wynand party, wishes to know if he has met with the displeasure of Govt., as he was expressly appointed by Govt. to Wynand party therefore ventures to ask Govt. direct. Think it a hard case that his services can be so summarily disposed off by Supt. after his exertions, and putting the Wynand party in the way it should work, which had only been done on arrival at Wynand. This season has been put to great expense in Marching from Salim to Mamantady for here there. Hopes Govt. will take his leave into consideration and that Original letter No. 50 dated 26th March to Supt. may be called for on public grounds. Think that he should remain in charge of Wynand party. No one here of sufficient experience to take charge and settlement party is new to the work. Demarcation here different to that in Wynand. Will leave this on 7th. Prisons to join his Regt. should he not receive a reply to this Telegram.
