PROCEEDINGS OF THE COURT OF WARDS, dated 13th June 1861.

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Court of Wards, Chepauk, dated Chetterpoor, 25th May 1861, No. 132 :—

1. I have the honor to report for the information of the Court of Wards, the particulars of claims advanced against the Jaluntra Estate by persons describing themselves to be creditors of the late Zemindar.

Some of these creditors have been holding villages from the Zemindar in partial liquidation of their claims, and all of them produce written documents under the Zemindar's seal in evidence of their authenticity.

2. I invited these people to appear in person and produce the evidence on which they rest their claims. This they have done, and I have referred the affair to arbitrators chosen from different parts of the District, as the best method of testing the claims and settling the amount really due; the result of this investigation has been to lower the amount of the demand considerably as will be seen from the accompanying Statement.

3. The creditors have agreed to settle with the Estate on the terms proposed by the arbitrators, and as the arrangement is the best that can be made, I hope the Court will approve the course I have taken.

4. As there are no funds in hand I propose that the money to meet these debts should be raised by the sale of an elephant and a few horses belonging to the late Zemindar which can be of no use to the infant Zemindar; besides this, we may dispose of some of the jewels which are also at present useless to the Minor. I request the permission of the Court to adopt this means of raising the 5,000 and odd Rupees required to cover the entire liabilities. I should further say that the majority of these debts were admitted by the late Puttamadevi before her death, though not with special reference to the balance of accounts between the Estate and the creditors.

5. There is a separate claim which has been under liquidation from the proceeds of a Jaghire village standing in the late Madevi's name; the rent bond under which it was assigned to the creditor was, however, executed by the Zemindar and not by the Madevi, and the transaction seems to have been his affair and not her's.

Of this debt only Rupees 300 remains to be paid which may be included in the general list.

6. I take this occasion to request the sanction of the Court to leave a small Jaghire village, yielding 230 Rupees in the enjoyment of an illegitimate brother of the Zemindar, to whom it had been assigned for maintenance. I have made no separate provision for him in the table sent to the Court.

7. An early settlement of this affair is desirable as the creditors press for their money.

ed by the late Zeminda of Salandra.

PROCEEDINGS OF THE COURT OF WARDS, dated 5th September 1861.

Read again letter from the Collector of Ganjam, dated 25th May 1861, No. 132.

(In Cons. 4th June 1861, No. 3,410.)

Read also the following letter from the same Officer, dated Rumbah, 19th August 1861, No. 222:—

1. With reference to my letter of the 25th May last, No. 132, and the Board's reply, No. 3,085, dated 13th June last, I have the honor to report that a portion of the jewels, shawls, &c., belonging to the late Zemindar of Jaluntra and his deceased Mahadavy, to the value of Rupees 4,000-8-6, has been sold by public auction at Chetterpore in the presence of the Treasury Deputy Collector and Cash-keeper, &c., as per annexed list. The Elephant has also been sold for 1,100 Rupees to the Chinna Kimeddy Zemindar. These two sums together with the balance in hand to the credit of the estate will be sufficient to defray the debts contracted by the late Zemindar, and I have accordingly invited the creditors to present themselves on or before the 20th instant to receive payment; some of them have already been paid.

2. With reference to the order of Government, dated the 30th ultimo, No. 1,510, communicated with the Board's Proceedings of the 31st idem, No. 4,131, I have only to state that none of the articles belonging to either the present Mahadavy or fit for the use of the minor were sold; and the more valuable jewels belonging to the late Zemindar were also reserved. I adopted this course with the approval of the Court of Wards, as contained in their order dated the 13th June last, No. 3,085, in order to save the high interest which the estate would have had to pay. Amongst the articles that were sold some were of a perishable nature, such as cloths and trumpery ornaments inlaid with sealing wax.

3. The petition to Government against the sale was made at the instigation of mischievous people about the surviving widow who is very young and inexperienced.

ENCLOSURE No. 1.

ABSTRACT.—List showing the proceeds realized from the sale of gold and silver ornaments, &c., belonging to the late Zemindar of Jaluntra, and his deceased widow.

1. The above papers will be submitted for the information of Government as supplying the report called for in their Proceedings, dated 30th July 1861, No. 1,510, Revenue Department.

2. The Court of Wards approve and confirm the Collector's proceedings.

3. Referring to paragraph 6 of his letter, dated 25th May 1861, they also permit the illegitimate brother of the late Zemindar to retain the enjoyment of the village assigned to him for maintenance.
