*Proceedings of the Madras Government, Revenue Department,
4th February 1861.*

No. 32. Read the following letter from F. WALTHER, Esq., Secretary to the Income Tax Commission, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 18th January 1861, No. 33:—

With reference to the Order of Government No. 115 of the 16th instant, I have the honor by desire of the Commissioners to request that you will be so good as to submit to Government for sanction, the enclosed Contingent bill of their Office for the month of December last, amounting to Rupees 6,486-11-9.

No. 33. ORDER THEREON, 4th February 1861, No. 272.

1. With this letter the Income Tax Commission submit for sanction the Contingent bill of their Office for December 1860.

2. The expenditure during the month amounted to the very large sum of Rupees 6,486-11-9; but of that sum not less than Rupees 5,674-3-0 is for printing charges, being the cost of printing the forms for the year. An outlay of Rupees 632-10-0 was incurred on account of furniture, screens, &c., and Rupees 90-1-0 is the charge made for advertisements in the Newspapers.

3. Some of the items call for notice.

In Messrs. Gantz Brother's bill, voucher No. 4, Form No 11, "single page," has been charged for at "double page" rates; this is an apparent overcharge of Rupees 61-4-0. This sum is disallowed pending explanation.

In Messrs. Pharoah & Co.'s bill, voucher No. 5, a charge of Rupees 51 occurs for making envelopes. The Office Muchi should be employed on such work when not otherwise engaged; and if a larger number of covers is required than he can make, it would be cheaper to employ one or two temporary Muchis than to have the work done as at present.

4. The Government do not think it necessary that advertisements should be inserted in all the local papers. It appears to them that sufficient publicity will be secured to notices, &c., if they appear in the leading journals, and in the official Gazette, and copies posted by the Conicopillays of Division, throughout the town.

5. With these remarks the Government sanction the bill for Rupees 6,425-7-9 six thousand four hundred and twenty-five, Annas seven and Pice nine. They observe that the Commissioners have reported that the charges will be much more moderate for the future.

(Signed) J. D. BOURDILLON,
Secretary to Government.
